

## 2694 - More Difficult to Solve

### Description

This problem is one of the hardest of competition, it does not have to know anything about mathematics, physics, discrete or other material. Here the only thing you should know is to print a string. We need you to print "This is my first solution in programming competitions" take care that the quotes are not printed.

### Input specification

no input.

### Output specification

unspecified

### Sample input

no input

### Sample output

This is my first solution in programming competitions

### Hint(s)
